

## For Immediate Release

### Nebraska Environmental Trust Invites Comments on 2020 Grant Applications

Lincoln, NE –September 6, 2019– The Nebraska Environmental Trust entered the 2020 grant cycle on September 3, 2019, receiving 120 new applications and 46 carry-over projects requesting a total of \$46,328,020 in grants. Last year the Trust received 111 new applications and 32 carry-over projects. The Trust has completed 26 grant cycles and will announce the results of the 27th round of award recommendations in February 2020.

As part of the grant application process, the Trust invites members of the public to review the proposed grants and provide written comments about the projects. A summary of each proposal will be available soon on the Trust's web site [www.environmentaltrust.org](http://www.environmentaltrust.org). Comments on the grant applications will be accepted until April 1, 2020, at the Nebraska Environmental Trust, 700 S 16th Street, PO Box 94913, Lincoln, NE 68509-4913 or via e-mail to [marilyn.tabor@nebraska.gov](mailto:marilyn.tabor@nebraska.gov).

The Nebraska Legislature created the Nebraska Environmental Trust in 1992. Using revenue from the Nebraska Lottery, the Trust has provided over \$315 million in grants to more than 2,200 projects across the state. Anyone – citizens, organizations, communities, farmers and businesses – can apply for funding to protect habitat, improve water quality and establish recycling programs in Nebraska. The Nebraska

Environmental Trust works to preserve, protect and restore our natural resources for future generations.
